

The After School Activities Program at **ADEL PROVENCE** School forms a part of an enrichment program to give students the opportunity to participate in activities that extend their learning.

**Sightseeing** at the Vieux Port and visit of the monument La Vieille Charité in the famous old district of Marseilles named Le Panier and the famous and very big cathedral La Major. Panier means basket in French, but in Marseille it is the name of the oldest part of the town. In the middle of this area there is the Vieille Charité, a wonderful old monument, now hosting museums and exhibitions.

**Picnic** in the green parc of Palais Longchamp near the school, architectural beauty and freshness.

**Noailles:** The area around the Noailles subway station is one of the city's most interesting. Lined with Arabic and Indo-Chinese shops some of the streets could be part of a bazaar in Algeria. A fascinating area.

**Visit** of the traditional soap factory of Marseille and his shop and sightseeing at the popular district of La Plaine and Cours Julien with typical places.

The Marseilles soap factory set up in the 16th century just after the crusades took the activity a step beyond the handicraft level

**Picnic** on the famous beach Le Prophète and visit to the very typical site named Le Vallon des Auffes with his little " port "

**Walk** on the famous Corniche Kennedy near the sea and very nice little park named Valmer very pretty and typical.

**Once a week** having lunch in Sebastopol Place with the students to say goodbye to the persons who are leaving the school, it can have a prices between 10€ and 15€ per person.

**Walking tour** in the Massif des Calanques.....

Going out in typical places of Marseilles:

. For a very typical experience we can take you to CHEZ CLAIRE and you will discover a unique concept in Marseilles / FRIDAY FISH HOUSE : you can choose your fish in the shop and they will prepare it for you immediately and you eat it on site, very fresh and tasty, the only place like that in all the city!

. When you arrive to the school you can check the list of the places to go in the evenings, for ex discos, pubs, typical restaurants ...

Others activities are proposed according to the season and the Marseilles city.

. With extra coast you can do in Marseilles: diving, surfing, kite surf windsurf skateboard, horse riding...

Please note: This is a voluntary program.
